Description:

Sell Diamonds NYC was established to serve all people looking to sell diamonds and get a great price for selling the diamond. We have been in the jewelry business for a long time and are located in The Diamond District. We specialize in diamonds so if you are looking to sell any kind of diamond jewelry, whether a ring, engagement ring, necklace, stone, rare stone, colored stone or gem we can help you make the selling of the diamond a smooth, profitable experience for you.

We buy all kinds of diamonds, when people are selling diamonds for cash they know that Sell Diamonds NYC pays the most cash for their diamonds, we are located in New York City's diamond district and have decades of experience in diamond jewelry.
